+91 8639033832 | mohankoduru.ai@gmail.com | linkedin.com/in/mohan-koduru
B.Tech – Artificial Intelligence & Data Science | Lakireddy Bali Reddy College of Engineering, Mylavaram

PROFILE

AI & Data Science undergraduate with hands-on experience building and deploying ML systems, AI chatbots, and predictive analytics tools. Completed a Machine Learning internship and independently shipped production-ready projects using Python, Groq LLM, Scikit-learn, and Streamlit. Strong foundation in data-driven problem solving with a track record of participating in national-level hackathons and delivering real business impact through automation. And I am a freelancer with experience of 6 months with extraordinary clients satisfactions

EDUCATION

- Bachelor of Technology (B.Tech) – Artificial Intelligence & Data Science** *Lakireddy Bali Reddy College of Engineering*
CGPA: 8.20 | Expected Graduation: May 2027

EXPERIENCE

- Machine Learning Intern** *May 2025 – Jun 2025*
TekSkills Private Limited
 - Developed and trained machine learning models for predictive analytics and data-driven insights using Python, Pandas, and Scikit-learn.
 - Worked on end-to-end ML pipelines including data preprocessing, feature engineering, model training, and evaluation on real business datasets.

PROJECTS

- SmartBuild – Predictive Construction cost System** *2025*
Python, Scikit-learn, XGBoost, FastAPI, React.js, Recharts, Pandas
 - Built a machine learning powered house construction cost predictor using a Stacking Ensemble of Random Forest and XGBoost achieving R^2 of 0.9904 and MAPE of 4.87% on 10,000 synthetic Indian construction records across 15 cities, with engineered features including luxury score, location area index, and area per floor.
- AI Resume Analyzer – ATS Scoring & Improvement Engine** *2025*
Python, Streamlit, Groq API, NLP, PyPDF
 - Developed an ATS-based resume analyzer with **automated PDF parsing, NLP keyword extraction, and ATS compatibility scoring** – surfacing strengths, weaknesses, and AI-driven improvement tips.
 - Enabled batch processing for multiple resumes, generated **downloadable PDF analysis reports**, and designed a production-ready client-facing Streamlit application using Groq API.
- AI Customer Support Chatbot** *2024*
Python, OpenAI GPT API, NLP, Streamlit
 - Designed and deployed an AI chatbot with **multi-turn conversation memory and intent detection** – automating FAQ handling and reducing manual support workload for businesses.
 - Built for direct website and dashboard deployment – achieving faster response times and improved customer satisfaction through contextual NLP responses.
- AI Automation for YouTube Analytics** *2024*
Python, YouTube Data API, Pandas, Streamlit
 - Built an automated pipeline to extract and analyze YouTube channel metrics – tracking views, engagement, and subscriber growth with **actionable insights and exportable analytics reports**.

SKILLS

- Programming:** Python, HTML, CSS, JavaScript
- AI & Data Science:** Machine Learning, Data Analytics, NLP, Explainable AI, LLMs, Groq API
- Libraries & Frameworks:** Pandas, NumPy, Scikit-learn, Random Forest, ReportLab, OpenAI API
- Web & Deployment:** Streamlit, REST APIs, Streamlit Cloud **Databases:** MySQL
- Tools:** Git, GitHub, VS Code, Jupyter Notebook, Google Colab

ACHIEVEMENTS & LEADERSHIP

- Smart India Hackathon (National Level):** Participated in India's largest national hackathon – represented college with an AI-driven solution at the national stage.
- MSME National Level Hackathon:** Participated and presented solution at a national-level MSME hackathon focused on business and technology innovation.
- Best Performer – Group Discussion, English Hackathon, LBRCE:** Awarded Best Performer for outstanding communication, argumentation, and leadership in competitive group discussions.
- Best Performer – Story Creation, English Hackathon, LBRCE:** Recognised for creative writing excellence and structured storytelling under competitive conditions.
- 1st Place – JNTUK Inter-Collegiate Softball Tournament:** Represented college and secured **university-level first place**, demonstrating teamwork, discipline, and competitive performance.
- Professional Cricket:** Represented Krishna District Cricket Association and Hyderabad Cricket Club – demonstrating sustained commitment, discipline, and performance under pressure.
